Every thinking person wants to lead a life of meaning and purpose. For thousands of years, holy books have told us that such a life is available only through obedience and submission to some higher power. Today, the faithful keep popular devotionals and tracts within easy reach on bedside tables and mobile devices, all communicating this common message: "Life is meaningless without God." In this volume, former pastor Dan Barker eloquently, powerfully, and rationally upends this long-held belief. Offering words of enrichment, emancipation, and inspiration, he reminds us how millions of atheists lead happy, loving, moral, and purpose-filled lives. Practicing what he preaches, he also demonstrates through his own personal journey that life is valuable for its own sake—that meaning and purpose come not from above, but from within. This is a five-point strategy for attracting and spiritually maturing the unchurched, from the pastor of Saddleback Church.

Offers spiritual fulfillment through an understanding of God's plan for a meaningful life. An instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist dystopian fiction” (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate “Handmaids” under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred’s persistent memories of life in the “time before” and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood’s devastating irony, wit, and acute perceptive powers in full force, The Handmaid’s Tale is at once a mordant satire and a dire warning. A memoir in essays that expands on the viral sensation “The Crane Wife” with a frank and funny look at love, intimacy, and self in the twenty-first century. From friends and lovers to blood family and chosen family, this “elegant masterpiece” (Roxane Gay, New York Times bestselling author of Hunger) asks what more expansive definitions of love might offer us all. “An intellectually vigorous and emotionally resonant account of how a self gets created over time, The Crane Wife will satisfy and inspire anyone who has ever asked, 'How did I get here, and what happens now?'... Hauser builds her life's inventory out of deconstructed personal narratives, resulting in a reading experience that's rich like a complicated dessert—not for wolfing down but for savoring in small bites.” —The New York Times Ten days after calling off her wedding, CJ Hauser went on an expedition to Texas to study the whooping crane. After a week wading through the gulf, she realized she'd almost signed up to live someone else's life. In this intimate, frank, and funny memoir-in-essays, Hauser releases herself from traditional narratives of happiness and goes looking for ways of living that leave room for the unexpected, making plenty of mistakes along the way. She kisses Internet strangers and officiates at a wedding. She rereads Rebecca in the house her boyfriend once shared with his ex-wife and rewinds Katharine Hepburn in The Philadelphia Story to learn how not to lose yourself in a relationship. She thinks about Florence Nightingale at a robot convention and grief at John

Belushi's rock and roll gravesite, and the difference between those stories we're asked to hold versus those we choose to carry. She writes about friends and lovers, blood family and chosen family, and asks what more expansive definitions of love might offer us all. Told with the late-night barstool directness of your wisest, most bighearted friend, The Crane Wife is a book for everyone whose life doesn't look the way they thought it would; for everyone learning to find joy in the not-knowing; for everyone trying, if sometimes failing, to build a new sort of life story, a new sort of family, a new sort of home, to live in. With the warmth and humor we've come to know, the creator and host of *A Prairie Home Companion* shares his own remarkable story. In *That Time of Year*, Garrison Keillor looks back on his life and recounts how a Brethren boy with writerly ambitions grew up in a small town on the Mississippi in the 1950s and, seeing three good friends die young, turned to comedy and radio. Through a series of unreasonable lucky breaks, he founded *A Prairie Home Companion* and put himself in line for a good life, including mistakes, regrets, and a few medical adventures. PHC lasted forty-two years, 1,557 shows, and enjoyed the freedom to do as it pleased for three or four million listeners every Saturday at 5 p.m. Central. He got to sing with Emmylou Harris and Renée Fleming and once sang two songs to the U.S. Supreme Court. He played a private eye and a cowboy, gave the news from his hometown, Lake Wobegon, and met Somali cabdrivers who'd learned English from listening to the show. He wrote bestselling novels, won a Grammy and a National Humanities Medal, and made a movie with Robert Altman with an alarming amount of improvisation. He says, "I was unemployable and managed to invent work for myself that I loved all my life, and on top of that I married well. That's the secret, work and love. And I chose the right ancestors, impoverished Scots and Yorkshire farmers, good workers. I'm heading for eighty, and I still get up to write before dawn every day." With over 1,000

"Groundbreaking." —Rachel Louise Snyder, bestselling author of *No Visible Bruises* An examination of the phenomenon of mass shootings in America and an urgent call to implement evidence-based strategies to stop these tragedies Winner of the 2022 Minnesota Book Award Using data from the writers' groundbreaking research on mass shooters, including first-person accounts from the perpetrators themselves, *The Violence Project* charts new pathways to prevention and innovative ways to stop the social contagion of violence. Frustrated by reactionary policy conversations that never seemed to convert into meaningful action, special investigator and psychologist Jill Peterson and sociologist James Densley built *The Violence Project*, the first comprehensive database of mass shooters. Their goal was to establish the root causes of mass shootings and figure out how to stop them by examining hundreds of data points in the life histories of more than 170 mass shooters—from their childhood and adolescence to their mental health and motives. They've also interviewed the living perpetrators of mass shootings and people who knew them, shooting survivors, victims' families, first responders, and leading experts to gain a comprehensive firsthand understanding of the real stories behind them, rather than the sensationalized media narratives that too often prevail. For the first time, instead of offering thoughts and prayers for the victims of these crimes, Peterson and Densley share their data-driven solutions for exactly what we must do, at the individual level, in our communities, and as a country, to put an end to these tragedies that have defined our modern era. Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true

believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God. Offers spiritual fulfillment through an understanding of God's plan for a meaningful life. Follows the story of Arthur Gordon Pym, who stows away on the whaling ship, Grampus.
